

AMBASSADOR OF THE REPUBLIC OF POLAND

Washington, November 6, 2006

Dear Mr. Mirecki,

I am pleased to have the opportunity to join in the congratulations on your very successful record of achievements in the Polish American Congress.

Throughout the years as President of the Polish American Congress Executive Committee of the Washington Metropolitan Area Division and National Director you have gladly lent your support, opinions, and guidance to my predecessors and me. Your open comments and suggestions have been a very valuable tool in understanding issues important to the Polish-American community.

Your legacy is truly impressive. You have wholeheartedly been serving the Polonia community as member of the Polish American Congress continuously throughout all those years. Mindful of the Congress' mission, you have relentlessly strove to uphold Polish tradition, language, and communication with the Polish-American community scattered across the United States. Your unhesitant devotion to this cause has been an inspiration to others concerned for the preservation of Polish identity in the United States.

Using this opportunity, let me express my gratitude for your forthcoming assistance and enduring leadership, along with my sincere and personal wishes of much success and happiness in your professional, as well as private life.

With my warmest regards,

Janusz Reiter
